

Autumn Term 2020 Action Plan

At Little Hearts Preschool Cranleigh, we do not see action plans as something we carry out when we think something is not working out well, or if something has gone wrong. But we see them as something to continually thrive to do better! No matter what. In our first year we did not have any complaints, and the feedback was nothing short of amazing from parents. However, we still sat down and thought carefully about what we feel we can do to improve our setting.

Action	Why?	By When
To establish a sleep/ rest room	To create a safe and separate sleeping room/ quiet room	August 31 st 2020
To create a water wall outside	To enhance outside learning	September 2020
To create a "bus stop"	To allow an area where children can safely wait for their turn on a toy. The children use the sand timer independently to wait for their turn for a toy, at the moment they sit and wait by the entrance of the outside area. We want to create an area where the children can sit comfortably if they chose to sit and wait.	September 2020
Climbing opportunities outside	Wooden planks across tyres and wooden logs	October 2020
Self-service and prep snack	To develop independent skills, fine motor skills	September 2020
Self-service cooking area	To enhance mathematics in everyday life.	October/ November 2020
Divide the room	To create a safe and stimulating area for under 2's	August 2020
Self service painting	To promote independence in a different area of the room	August 2020
Well Being Mentor	For children to connect with their emotions and feelings and begin to develop regulation techniques individual to them selves	September 2020
Self Help Skills	For the first half term we will focus on developing independence skills such as putting coats on, shoes and socks on etc. This will help children become confident learners and develop fine motor skills and co ordination skills.	September 2020
