Coming Up Next Month.

Our theme will be Construction. This will be a month full of building; dens, bridges, obstacle courses, constructing with different materials. We will be looking at different construction vehicles, and having a go at constructing our own paper boats to see if they will float in the river and paper planes to see how far they will fly.

We will also be teaching the Butterflies (reception leavers) all about Road Safety.

Make skittles from plastic bottles. Play games where you have to keep a score of how many skittles you've knocked down.

Sort the clothes so that your child can put all the ones with the same pattern or colour like red, spotty or stripy, together.

Use toy cars, buses or trains to make up stories about going to the supermarket, going on holiday or going to nursery.

Build using cardboard boxes or wooden bricks. Use words like "long" or "tall" to describe my model.

Go on a shape walk inside or outside to find things which are the same like "circles" or "spheres"
